4) In August 1945 one Mr Cheltanahalli Nanjappa brought to the notice of Govt that the acquisition of the above property was not for a bonafide public purpose, as the acquisition proceedings were instituted at the instance of one Mr Hemaji Rao who is trying to deprive the petitioners of the valuable land under the pretext of improving a Ramalayam

5) The question was again examined by the Govt in consultation with the Chairman C & T Board, Mysore and in this office letter no L 4263 dated 27-11-45, Mr Nanjappa was endorsed that there was no need to change the orders already passed in the matter

6) It is stated that Mr Cheltanahalli Nanjappa died on 7-8-1946 His two daughters (petitioners) have now requested the Govt to stay further acquisition proceedings, on the following grounds —

1) that the petitioners (nor their father) had no notice of the proposed acquisition of their properties

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE at BANGLORE

MIS PETITION NO O. 1945-46

PETITIONER:- Chettanahalli Nanjappa, son of Chettanahalli Mannuanna, Hindy by religeon aged about 60 years, residing at door no 28, Elemandi Street, Mandimohalla, MYSORE.

V3

RESPONDENT:- The Chairman of the Board of Trustees, for the Improvement of the city of Mysore MYSORE

Under Section 48 of the Land Acquisition Act of 1894, and Sections 14 and 18 of the City of Mysore Improvement Act of 1903 (Act III of 1903), the Petitioner begs to state as follows:-

I. The Petitioner is the owner of the property described hereunder below in the schedule, having purchased the property on 14th October 1940 by a registered Instrument.

II. The above named Board of Trustees ~~have~~ has resolved, seeking the permission of the Government to acquire the house property described in the schedule at the requisition of one Mr R Hemaji Rao and a few others belonging to Maharastra Community alleging that the property is required for the extension of Ramamandira situated in the same street and the Special Land Acquisition Officer has issued notice to acquire the property, to the petitioner, which has been served on petitioner on 13-8-45, which notice is submitted for kind perusal

The

III. The Petitioner had no notice of the proposed acquisition as contemplated under Section 16 (2) of the Act III of 1903 and he has thus been deprived of the opportunity of filing his objections, before the Government should have accorded its kind sanction for the acquisition of the property as contemplated under Section 17 (1) of Act III of 1903

V. The said Mr.K P Hemaji Rao at whose instance the Board of Trustees appears to have taken action to acquire the said property, was himself the original owner of the property and has sold it in favour of one Mr A C Ranjappa, the Vendor of the Petitioner

Under the pretext of acquiring this property for the benefit of Ramamandir, the said K P Hemaji Rao with the help of a few members of his community, has been trying to deprive the petitioner of a valuable property in his old age, when the petitioner is intending to settle his property in favour of his daughter who has been residing in the said house.

VI. The said property is not in any way insanitary, nor is there any necessity for acquisition for the improvement of the said private Ramamandir, as there is another house in between Ramamandir and the property described in the schedule, which house belongs to the Ramamandir and is now let out for residental purposes The acquisition which is alleged to be for a public purpose, is as a matter of fact not for any public purpose of a property which is insanitary, and without the acquisition of which the Ramamandir could not carry on its legitimate functions. It is submitted that under the guise of paying up the necessary costs, the said Mr K. P Hemaji Rao who is stated to be the President of the said Ramamandir, is trying to get back the property which he has sold, under the pretext of Ramamandir extension purpose.

5661

VII The Petitioner has throughout been kept in ignorance of the acquisition proceedings by the Board of Trustees and by the Land acquisition authorities till he received a notice submitted herewith, which does not comply with the requirements of law as contemplated under section 9 (2) of the Mysore Land acquisition Act of 1894, in as much as the description of the property to be acquired with schedule and area etc , have not been mentioned in the said notice

VIII The Chairman of the said Ramamandir, has the Petitioner learns, applied to the Board of Trustees and had obtained a seperate site to construct a seperate Ramamandir to meet the requirements of the community The present Ramamandir is a mere residental house converted into Ramamandir with no idol installed to be turned a temple , but it is only an ordinary meeting place for a set of people to offer prayers and perform Bhajana with merely a phota transferable from place to place Thus, it is submitted, that the said Ramamandir is not a public place of worship with any installed Idol, to be called a Temple in the proper sense of the term, so as to invoke the aid of Land acquisition Act of 1894 for extension purposes on the basis of public purpose

IX Under the above circumstances, the Petitioner humbly submits that a spot inspection by the Government would make these points clear, and would prove beyond doubt that the acquisition of this house property is not for any public purpose, as contemplated either in Land Acquisition Act of 1894, or in the Act III of 1903

X. The Petitioner, therefore humbly prays that the Government may be pleased to cancel the acquisition of the property refered to in the schedule, and call upon the Board of Trustees to drop all acquisition proceedings against this property.

Subject - Petition of Chetnahalli Nanjappa, Elemandy Street, Mandi Mohalla, Mysore, protesting against the acquisition of D No 3024 Block No 12, Mandi Mohalla

---

With reference to your D O No L 517 dated the 9th July 1946, re the above and calling for a report on the petition of Mr Nanjappa, I have the honour to state as follows -

The property bearing Door No 3024 in question was proposed to be acquired for the improvement of Rama Mandiram at the request of the Maharashtra community people as per Trust Board Resolution No 277 dated the 20th December 1944 Mr K R Hemoji Rao referred to in para 2 of the petition is one of the Trustees of the Rama Mandiram who requested the Board to get the property acquired for them

As the khata stood in the name of one Mr G E Nanjappa, the Notice required under Section 16 (1) of the City Improvement Act was served on the person ascertained to be interested in the property and a reply was also received from the said Nanjappa on 24th February 1945 alleging that as this is the only property owned by him the acquisition may be waived etc As ~~such~~ such the petitioner could not be served with a notice in the preliminary stage, as represented in Para III of the petition

No separate site has been granted to this Rama Mandiram for construction as alleged in para 8 of the petition In this connection, I beg to invite kind reference to this office letter No B_2 C-101/44-45 dated the 24th September 1945 which clearly explains the position, and to the endorsement issued to the petitioner by Government in their No L 4263 dated the 27th November 1945 In these circumstances, I am of the opinion that no further action is called for in this matter The petition received with the memo under advertance is enclosed

Mis Petition No of 1946-47

Petitioners - Mrs Deveera Bai and Mrs Manju Bai,
Daughters of late Chattana Halli Manjappa,
residing at Door No 28, Ele Mandi Street,
Mandi Mohalla, Mysore City

Respondent - The Chairman of the Board of Trustees for the
Improvement of the City of Mysore, Mysore City

Under Section 48 of the Land Acquisition Act of 1894, and Sections 14 and 18 of the City of Mysore Improvement Act of 1903 (Act III of 1903), the Petitioners beg to state as follows -

I The Petitioners are the owners of the property described hereunder in the Schedule since Mr Chattanahalli Manjappa, against whom acquisition Proceedings had been started for acquiring the house bearing Door No 3024 in Savoy Road, Block No 12, Mandi Mohalla, Mysore City died on the 7th August 1946 and that the Petitioners are his daughters and are the only heirs to his properties, moveable and immoveable Hence the Proceedings referred to above are infructuous so far the Petitioners are concerned The Petitioners' father Mr Chettana Halli Manjappa purchased the schedule property on the 14th October 1940 by a registered instrument

II The above named Board of Trustees, the Petitioners learn, have resolved, seeking the permission of the Government to acquire the house ~~per~~ property described in the schedule

at the requisition of one Mr K P Hemaji Rao and a few others belonging to Maharastra Community alleging that the property is required for the extension of Rama Mandira situated in the same street and the Special Land Acquisition Officer has issued notice to acquire the property, to the Petitioners' father which was served on him on the 13th August 1945, which Notice was submitted to the Government along with a previous petition of the kind for kind perusal

The Committee members of the above said Rama Mandiram ~~Committee~~ played a trick in inviting Mr D Ramachendra Rao Bhombhore, the Chairman of the Board of Trustees for the Improvement of the City of Mysore, Mysore, to preside over a meeting of the Rama Mandiram Committee and got a resolution passed to the effect that the schedule property might be acquired from the Petitioners and given over to the Rama Mandiram Committee and accordingly the Chairman asked them (the Committee Members) to deposit a sum of Rs 1050/- for the purpose (Vide His No B2-C 101/44-45 dated the 7th August 1945) the authorised copies of the whole correspondence are appended hereto for the perusal of the Government, the entire procedure of which is wholly wrong and highly objectionable

III The Petitioners had no notice of the proposed acquisition as contemplated under Section 16 (2) of the Act III of 1903 and has thus been deprived of the opportunity of filing their objections before the Government should have accorded its kind sanction for the acquisition of the property as contemplated under Section 17 (1) of Act III of 1903

IV The said Mr K R Hemaji Rao at whose instance the Board of Trustees appears to have taken action to acquire the said property, was himself the original owner of the property, and had sold it in favour of one Mr G D anjappa, the Vendor of the Petitioners father

V Under the pretext of acquiring this property for the benefit of Ramamandir, the said K P Hemaji Rao with the help of a few members of his community has been trying to

deprive the petitioners of a valuable property ~~xxxxxxxxx~~

VI The said property is not in any way insanitary, nor is there any necessity for acquisition for the improvement of the said private Ramamandir, as there is another house in between Ramamandir and the property described in the schedule- which house belongs to the Ramamandir and is now let out for residential purpose The acquisition which is alleged to be for a public purpose, is as a matter of fact not for any public purpose of a property which is insanitary and without the acquisition of which the Ramamandir could not carry on its legitimate functions It is submitted that under the guise of paying up the necessary costs, the said Mr P P Hemaji Rao, who is stated to be the President of the said Ramamandir is trying to get back the property which he had sold, under the pretext of Ramamandir extension purpose

VII The Petitioners have throughout been kept in ignorance of the acquisition proceedings by the Board of Trustees and by the Land Acquisition authorities till ~~xx~~ the Petitioners' father received a notice submitted already, which does not comply with the requirements of Law as contemplated under section 9 (2) of the Mysore Land Acquisition Act of 1894 in as much as the description of the property to be acquired with schedule and area etc , have not been mentioned in the said notice

VIII The Chairman of the said Ramamandir, the Petitioners learn, has applied to the Board of Trustees and has obtained a seperate site to construct a seperate Rama Mandir to meet the requirements of the Community The Petitioners further understand that the Foundation Ceremoney of that institution was also performed by Mr R Ramachendra Rao Bhombore and that it is situated in the Banni Mantap Extension (New Savyaji Rao Road) The present Ramamandir is a mere residential house converted into Ramamandir with no idol installed to be termed a temple but it is only an ordinary meeting place for a set of people to offer Prayers and perform Bhajana with merely a Photo

transfereable from

place to place Thus, it is submitted, that the said Ramamandir is not a Public Place of worship with any installed idol to be called a Temple in the proper sense of the term so as to irvoke the aid of Land Acquisition Act of 1894 for extension purposes on the basis of Public Purpose

IX Under the above circumstances, the Petitioners hurbly submit that a spot inspection by the Government would make these points clear and would prove be ond doubt that the acquisition of this house property is not for any public purpose, as contemplated either in Land Acquisition Act of 1894, or in the Act III of 1903

X The Petitioners therefore humbly pray that the Government may be pleased to cancel the acquisition of the property referred to in the schedule, and call upon the Board of Trustees to drop all acquisition proceedings against this property
